

I have worked with Daniel Penz, special projects editor at CBS 11 News, for nearly two years and have nothing but praise for his work.

Penz has led the way in putting together the most compelling and penetrating stories this station has produced.

He is a master at putting sound, video and words together in a way that resonates, often under extreme deadline pressures.

In addition, Penz's work ethic and attitude are second to none.

He has been a pleasure to work with, and we will miss him.

A handwritten signature in blue ink, which appears to read 'Jack Douglas Jr.', is written over the typed name.
